

Practise number recognition and ordering of numbers daily using the number cards below.

IXL

Ideally aim for mastering one skill a day (or more if you wish!) Have a look on your child's rewards page. The aim is for them to complete the year by the end of August 2021 and there are a set amount of skills to master in each year group. Reception have 96 skills to complete.

Wider curriculum learning

Download the home-learning pack for Reception and chose an activity daily from the outside (for in your garden) and wider-curriculum activities.

Wider Curriculum [Reception Home-Learning Pack](#)

Wider curriculum for Reception: Alistair Bryce Clegg has 50 fantastic ideas for practical learning for Reception (EYFS) children, which can be found on <https://abcdoes.com/home-learning/>.

Oak National Academy

The DfE have been collaborating with teachers around the country to provide an online resource with daily English, Maths and Foundation lessons. If you would like to further supplement the activities I post each week follow the link <https://www.thenational.academy/online-classroom/reception/#schedule> click on:online classroom, schedule, Reception.

Please don't forget to email me photographs of your wonderful work via our class email address geclass1@gtellingham.org.uk so that I can keep in touch and provide you with support and feedback. I would also love to be able to tweet the pictures of your work to help and inspire your class mates so remember to give permission in your email if you would like me to do this. Stay safe everyone, we will all be back together again soon!

Mrs Chamberlin

Letters

Here are some letter cards that you can cut up and use to make words for the sound swap and word spelling games I will post each week. In addition, you could choose one sound each day as a focus –write a line of that sound to practice letter formation. You might like to stick these on to a piece of card or an old cereal packet before cutting them out to make them a bit stronger.
